PERSONAL SAFETY WEAR

## SAFETY EYEWEAR

DEFY CONVENTION,  
EMBRACE COMPLIANCE.

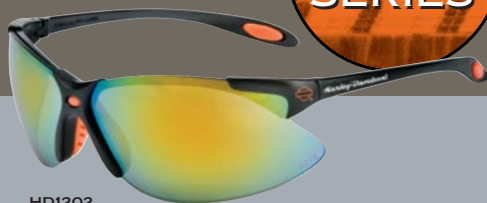

# Defy convention, embrace compliance.

## SAFETY EYEWEAR

New, aggressive Harley-Davidson® styling with innovative design provides personalized comfort and fit and makes this the most distinctive safety eyewear line available today. A wide range of styles and lens tints are available to provide protection in the broadest range of applications and settings. No matter which style you choose, you can be confident that with Harley-Davidson® Safety Eyewear your image will remain as protected as your eyes.

**NEW  
SERIES**

HD1202

### HD1200 SERIES

Lightweight, black frame features popular H-D® logos on both temples and is complemented by flame-orange nose pads and temple tips for Harley-Davidson® styling. Priced right, this newest addition to our line puts all of the comfort, safety features, and Harley-Davidson® look you want at our best value ever!

MEETS ANSI Z87+ STANDARD

HD1102

### HD1100 SERIES

Weighing less than an ounce, the HD1100 Series is lightweight and comfortable for all day, on-the-job use. Custom orange and black temples feature sleek H-D® styling including the legendary Bar and Shield logo on the left temple. Secure wrap-around brow expands to comfortably fit a wide range of wearers. Soft temple inserts and molded “finger” nose pads provide additional comfort.

HD1000

### HD1000 SERIES

The HD1000 Series features temples with an aggressive “chrome” flame emblem and the legendary H-D® Bar and Shield logo for unmistakable Harley® styling. The dual lens design has a tight orbital wrap for a secure fit and superior protection. Everything you would expect from a Harley-Davidson® branded product, and no better way to stay protected.

HD800

## HD800 SERIES

Striking mirrored lenses coupled with a double 9-base frameless design make this new style truly stand out from the rest. Harley-Davidson® Bar and Shield logo and trailing flame design featured on silver temples with Harley-Davidson® name engraved on the lens. Lightweight at just 27 grams, the HD800 Series safety eyewear not only looks good but is comfortable and easy to wear all day long.
