

FS-1652J, 52" X 16 GAUGE FOOT SHEAR

756202

JET Foot Shears with high quality, hardened and tempered stainless steel blades are ideal for precision shearing of mild steel up to 16 gauge. An adjustable hold down clamp keeps materials secure during operation to prevent errors, and compound leverage allows the user to perform work within the machine's rated capacity with ease.

FEATURES

- Hi-quality cast-iron grade frame to eliminate deflection across the blade-span and blade frame work
- Adjustable clamping bar keeps material secured during operation
- Precise bed and beam alignment assures working accuracy
- Upper blade is a four-way; bottom blade is two-way
- Rear depth gauges with micro adjustment for precise measurements
- 16 gauge maximum capacity for mild-steel
- 14 gauge maximum capacity for aluminum and copper alloys
- 20 gauge maximum capacity for stainless steel

JET RED ASSURANCE 2-YEAR WARRANTY

JET warrants every product it sells. If one of our tools needs service or repair, one of our Authorized Service Centers located throughout the United States can give you quick service. In most cases, any of these JPW Industries Authorized Service Centers can authorize warranty repair, assist you in obtaining parts, or perform routine maintenance and major repair on your JET tools. For the name of an Authorized Service Center in your area call 1-800-274-6848.
