

# 440 Superfoam™ Comfort™

Comfort and support PVC/Nitrile foam anti-fatigue does not absorb liquids and resistant to greases

Superfoam™ Comfort™ takes comfort and ergonomic support to the next level. It's made from a full  $\frac{3}{4}$ " thick softer PVC/ Nitrile rubber foam blend that offers greater resistance to a variety of chemicals, cutting fluids, greases, oils and animal and vegetable fats. The high-density materials in Superfoam™ Comfort™ incorporate millions of tiny closed cells that won't absorb liquids. This lightweight comfort anti-fatigue mat make it the perfect mat for use in areas where mats are regularly moved for cleaning.

- Extra soft material for greater comfort and exceptional memory
- Highly resistant to greases, oils and animal & vegetable fats
- High density material incorporates millions of tiny closed cells that won't absorb liquids
- Aggressive texture on both top and bottom for added traction while keeping mat in place
- Non-allergenic, Silicone free compound
- Beveled edges on all 4 sides
- Lightweight, use in front end environments
