

## TECHNICAL DATA SHEET

### Model: EPB1

#### Cap-Mounted Face-shield Brackets

EPB102

EPB103

EPB101

#### Description:

EPB1 series of cap-mounted brackets is designed specifically to carry a wide range of faceshield visors. It can be mounted on a wide variety of slotted style of hardhats. This series can also be installed in conjunction with cap-mounted earmuffs. It is made of totally dielectric material. It comes with a swivel system to raise and lower the faceshield.
